4 June 2019

Kia Kotahi - Working Together For A Brighter Future

Hello everyone, I hope you all managed to get some time off to enjoy with family and friends over the long weekend. We would like to welcome some new entrants to the school - Lucy Tuck, and twins Jacob and Levi Cadman. We have a busy couple of weeks coming up so please put the following dates in your diary:

Working Bee: 11 June

On Tuesday, 11 June we are having a working bee at school. This was scheduled for tomorrow but we have decided to postpone due to the weather. There are a variety of jobs that need doing and if you have any time between 9am and 3pm on Tuesday next week we would be delighted to see you here.

The jobs we have at the moment are:

- Tidy up leaves and clean the concrete in the Room 3 courtyard.
- Tidy up back sheds & do a dump run
- Spray moss on the tennis courts
- Spray weeds
- Fix up playground edging
- Clean out the gutters around the school buildings.

School Cross Country: 6 June

The School Cross Country will be run on Thursday, 6 June. The start time is 1:30pm. The children will be running in age groups and, as well as supporting your children, we would like some parents to help with marshalling so that the children all follow the correct course. The whole run takes place inside the school grounds and there are many good places to watch the race. If the weather is unfavourable and we need to postpone we will let everyone know via Schoolstream.

The District Cross Country for ages 7 and up will be held on Friday 21 June at Tahuna Golf Course.

School Assembly: 7 June

Our next school assembly will be held in Room 1 on Friday this week, starting at 1:30pm.

Golf Day Fundraiser: 9 June

The Parent and School are holding their annual Golf Day Fundraising event on Sunday 9 June starting at 9am. This event is always a lot of fun for both the competitors and the helpers, if you don't have a job already I'm sure the Parent and School would love any offers of help. As an alternative to helping on the day, donations of meat to roast, or some baking, would be greatly appreciated. These could be dropped into school on Friday this week. This is our major fundraiser for the year and we really need as much support as possible.

Board of Trustees Meeting: 10 June

Both the outgoing and incoming Boards of Trustees will be meeting on Monday 10 June at 7:00pm. This will be a chance to thank those members who are finishing their time on the Board and to welcome the new members. We would like to thank those members who are finishing their time on the Board, they have all made valuable contributions and we certainly do appreciate all of your time and effort.

Matariki: 17 - 21 June

The whole school will be celebrating Matariki during Week Eight (17 - 21 June). More information to follow.

Have a great week! Kiwitahi Staff
