

NEWSLETTER - Term 1, Week 9

2 April 2019

Kia Kotahi - Working Together For A Brighter Future

This is the last official newsletter I will be writing to you all as the Principal of Kiwitahi School. It is both a sad and exciting time for myself and my family as we leave this fantastic little community and make the move to Thames. Four years has really flown by and we have made some great friendships and connections with so many of you over our time here. I would like to say one last thank you to all of those members of the community who have made our time here so memorable and enjoyable. We will hopefully see many of you around in the future, and also next week on Thursday morning as we say farewell to everyone.

Swimming Sports

A massive congratulations to all of our hard working students who performed at their best level in our school swimming sports on Friday. I was very impressed with all of the skills and general improvement seen. Well done to those students who received a trophy for their awesome effort:

Most Improved Junior Girl - Mischa Thomson
Most Improved Senior Girl - Chelsey Matthews
Most Improved Junior Boy - Cooper Davison
Most Improved Senior Boy - Jono Waetford
Raewyn Jacobs Butterfly Cup - Sofia Bonnar
Champion Girl Swimmer - Sofia Bonnar
Champion Boy Swimmer - Roy Biddle

Science Roadshow

Once again we will be attending the Science Roadshow. This year it is being held at Morrinsville Intermediate. The date for our trip is Friday the 3rd of May, which is the first Friday back after the holidays. As such, we will be organising permission and transport forms to be completed before the end of this term (next week). Please see the Schoolstream form that will come out and ensure these are filled out as soon as possible.

Have a great week! Kiwitahi Staff

IMPORTANT DATES

Wed 3 April

School Photos 1.30pm

Thu 11 April

Farewell Morning Tea 10.30am
